Dear "Dr." Weisberg —

Thanks so much for your assistance. Expect a contract from Brian soon. I'm probably going to need you — so stay healthy! Jim Green (he testified for HSCA) says the plot to kill MLK was FBI and originated w/ people I've located in FBI files contacted by a middle man also in touch w/ Jimmy Ray - I'll

call you soon for your advise – I'd like you to meet Green.

Thanks –

Respect

Lynda
